Biomedical Career Advancement Program (BCAP)
Application Overview

🛑 Please Read All Information Below **Before** Proceeding

Hello student applicants!

Thank you for your interest in the Biomedical Career Advancement Program (BCAP) 2019.

This application is for current high school students who are seeking a position with our six-week research opportunity for summer 2019. The application deadline is ***Friday, March 1, 2019***. The program runs from *Monday June 24* through *Friday August 2, 2019*.

Please review your application ***carefully*** before submitting. You will have an opportunity to save and make as many changes as necessary, <u>before</u> submitting your final application.

Listed below are documents that are required for your application submission:

☐ Official High School Transcript: GPA > 3.0
☐ Personal Career Goals Statement *(1,000 – 1,500 words)*
☐ Two (2) letters of recommendation
☐ Student & Parent/Guardian Application Signature Page
  • *Signature page can be found on the BCAP application home page; must be printed, signed and uploaded at the end of the application*

Note: Photos/screenshots are **not acceptable** submissions for document uploads.

Prior to opening the online application, access all the links below and review the information contained in each:
